Guidelines – Public Health Organization Support Grant

Introduction

The American Rescue Plan Act of 2021 (“Act” or “ARPA”) was signed into law on March 11, 2021. This Act provides emergency relief to individuals, organizations, and governments in response to the COVID-19 pandemic. As part of ARPA, the State and Local Fiscal Recovery Fund (“SLFRF”) was created to deliver \$350 billion to eligible state, local, and Tribal governments across the country to support their response to and recovery from the COVID-19 public health emergency. The SLFRF program aims to equip governments with the resources to:

- Mitigate the public health and economic impacts of the pandemic on its community;
- Maintain vital public services; and
- Build recovery efforts that support long-term growth and opportunity.

The City of Fort Wayne, Indiana (the “City”) was allocated \$50.8 million in SLFRF monies for investment in projects and programs across the City that align to the four main eligible uses of SLFRF. For more details, visit the City’s [SLFRF Recovery Plan](#). As part of its recovery plan, the City has allocated \$1,350,000 specifically for public health organizations in the City of Fort Wayne. The maximum grant amount request is \$100,000 per entity.

How to Apply

- Submit a completed application electronically, via email to ARPA@cityoffortwayne.org
- Provide requested documentation as listed on the application
- Applicants must certify that all information provided is accurate
- Applications will be reviewed by the City's ARPA review committee
- Applicants may be asked to supply additional information by the ARPA review committee for funding consideration
- *Note – an application submission checklist is available for reference online at <https://www.cityoffortwayne.org/american-rescue-plan-act.html>*

Review and Evaluation Process

An ARPA review committee will review applications and evaluate each proposal using the following criteria:

- If funding fulfills a gap or need other programs/services are not fully addressing
- If funding mitigates some of the impact COVID-19 had on the organization's budget
- If the applicant organization or its proposed use of funds addresses disparities in public health outcomes, negative impacts on households and individuals disproportionately impacted by the pandemic, and educational disparities.
- The overall stability of the applicant organization and strength of the proposed use of funds including if the organization will be able to fulfill the grant proposal

The review committee will meet, discuss, and make funding recommendations. The City of Fort Wayne's Federal Grants Administrator will notify the applicants of funding decisions, along with a funding agreement. Payment schedule will be determined at the time of award.

All decisions of the ARPA review committee are final and no appeals will be accepted.
