

2022 Wellness Screenings—Sign up Now!

It's that time again! The 2022 Workplace Wellness Screenings are starting soon.

City of Fort Wayne – Occupational Health Clinic

Wellness Screening Option

You may make an appointment for your wellness screening at one of the Allen County Parkview Occupational Health clinics. If you would like to choose this option instead of attending the large wellness screening being held at Citizen Square, please follow these steps:

Make an Appointment

- Please call 373-9300 to schedule your wellness screening appointment. A customer service agent will help you find the most convenient clinic location, date & time for you!
- Please indicate you are a City of Fort Wayne employee wanting to schedule your annual wellness screening.

Before Appointment

- Remember to fast 9-14 hours before your appointment. You may have sips of water and continue all medicines prior to the blood draw.

Day of Appointment

Please wear a mask to your appointment.

You MUST have a photo ID to receive screening services in the clinic.

During your appointment ensure the following data is collected:

blood pressure

height

weight

waist circumference

blood collection

Deadline to complete clinic screening is September 30th, 2022

If you have any questions, please contact ParkviewWorkplaceWellness@parkview.com
