

108-C-091 FAILURE TO COMPLETE ON TIME FOR RESTRICTION

(Revised 05-20-23)

The Standard Specifications are revised as follows:

SECTION 108, AFTER LINE 623, INSERT AS FOLLOWS:

The work specified shall be arranged and prosecuted such that traffic is restricted on _____ for not longer than the number of calendar days shown on the Proposal page. Traffic shall not be restricted before _____, 20_____.

If the necessary work is not completed and _____ is not reopened to unrestricted traffic within the number of calendar days for restriction shown on the Proposal page, \$_____ will be assessed as liquidated damages, not as a penalty, but as damages sustained for each calendar day for which traffic on _____ remains restricted in excess of the number shown on the Proposal page.

Extension of restriction time, if required, shall be in accordance with 108.08.
