APPLICATION TO INSTALL A POLE LINE

This permit is required in all cases where new poles are installed or where present poles are moved to a new location.

I hereby make application for a Permit To Install A Pole Line on _____

Purpose: _____

If this application to install a pole line is granted, the applicant agrees to the following provisions: THAT;

- (a) the applicant will move said pole line at his own expense, except where otherwise required by law, when so requested by the Board of Public Works;
- (b) said pole line will comply with all regulations outlined in the National Electrical Safety Code, and any other handbook issued by the Department of Commerce Bureau of Standards which refers to the installation and maintenance of communication lines;
- (c) the applicant will assume all responsibility for any injury or damage to persons or property, due to its own negligence, resulting directly or indirectly from the proposed work;
- (d) no trees or plants on the right-of-way of any City street will be trimmed or removed without special written permission from the Park Board (make special request for tree trimming or tree removal);
- (e) said work will not interfere in any way with any pole line or other existing structure either above or below ground, along or across the City street at said location;
- (f) applicant will notify the Right of Way Permit Dept. the day preceeding the beginning of such work;
- (g) work will not be permitted during times of excessive moisture whereby shoulders, sidewalks, driveways, or berms will be damaged;
- (h) all damages will be repaired promptly by applicant at its expense.
