GIS: Locating Water Service Area – Instructions

- H. Select the Legend Menu to determine which water service area the address you have entered is within. (*Note: FWCU is not listed in the Legend (light tan areas). Utility Center (light blue areas) is the former Aqua SW water area that FWCU acquired in 2014. The map has not yet been updated by our GIS department. We appreciate your patience.*)

This particular address is within FWCU's water service area.

This particular address is **not** within FWCU's water service area.

A screenshot of the 'Locate' dialog box. It has a dropdown menu for 'Address', a text input field containing '7502 W SR 930', and a smaller text input field with the example 'eg. 200 E Berry St'. There are 'Locate' and 'Clear Locate' buttons at the bottom.
