

City of Fort Wayne
Emerging, Minority, Women Business Enterprise Directory
March 2017

The following is a list of business owners who have indicated their interest in participating as subcontractors on City of Fort Wayne contracts. All have been certified by the City's Vendor Compliance Office. Please be advised that their certification as EBE, MBE, WBE does not guarantee their ability to perform the type of work indicated. Rather, it indicates that they have met the criteria required for certification.

Non-Federally Funded Projects: The City has established a 10% participation goal for emerging business participation.

SRF Federally Funded Projects: The Federal government has established a participation goal of 5% for Women Business Enterprises and 7% for Minority Business Enterprises.

Other Federally Funded Projects: The Federal government has established a 10% participation goal for Minority and Women Business Enterprises.

The bidder is required to solicit the interests, capabilities and prices from these businesses to satisfy the City and Federal participation requirements.
