

Neighborhood Improvement Grant Guidelines 2019-2020

Purpose

The City of Fort Wayne **Planning & Policy Department** presents a grant opportunity that allows neighborhoods to implement projects that will energize their communities. The Neighborhood Improvement Grant Program provides funding assistance for projects that create and beautify public spaces and strengthen community involvement. In 2019, the City expects to award up to \$50,000 in grants.

Who We Fund

Eligible applicants include City of Fort Wayne Neighborhood Associations registered with the City. A simple one page registration form is available with the grant documents. Neighborhood Area Partnerships are also eligible for the program.

Projects should be the idea of, and championed by, residents of the neighborhood area with input from nearby residents.

What We Fund

Creative community projects that focus on the following criteria will be considered for funding:

- Enhances the aesthetics of the neighborhood.
- Provides a clear community benefit.
- Accessible to all members of the community.
- Addresses a known neighborhood deficiency
- Increases sense of community.
- Activates community improvements or spaces.
- Focuses on community involvement.

What are the Grant Program terms and contract requirements?

- The City retains sole discretion in determining whether or not applications are eligible.
- Necessary permits or other approvals must be obtained by the applicant prior to starting projects. Examples of projects that need permits include but are not limited to, permanent improvements within the public right-of-way such as signage or modifications to city infrastructure, or activities requiring a street closure.
- Projects may involve private property but must provide a clear public benefit. Documentation must be provided that confirms property owner support and approval of the proposal.
- Projects must be accessible and inclusive.
- Award maximum is \$5,000 per project.
- Only one Neighborhood Improvement Grant per project per year.
- Projects may require a design review as a condition of the grant award.
- Project is ready to begin within 1-3 months from award date.
- Projects must be completed within 12 months from award date.
- Neighborhood Associations that apply must be registered with the City.

How are grants distributed for awarded projects?

- Applicants who are selected (“Grantee”) must sign a contract before implementation of their project.
- Grantees are required to pay for expenses upfront and will be reimbursed by the City.
- Receipts and invoices for project costs must be submitted as proof of expenses.
- Reimbursement may not exceed total grant award.

What are the reporting requirements?

- Monthly status reports may be required for certain projects.
- Within 30 days upon completion of the project the Grantee will provide a one page project evaluation report along with a complete expense report.
- Grantee will include at least three digital photos of the project’s activities along with project report. The City reserves all rights to use the photos for future promotion or publications.

What types of expenses are covered by grant funds?

Projects must provide a capital improvement that enhances the public spaces within the neighborhood. Projects that improve universal accessibility are also encouraged. The following are examples of eligible grant projects:

- Improving or providing neighborhood amenities (signage/welcome markers, community centers, community gardens or greenspaces)

- Public art installations
- Improvements that enhance public spaces (benches, crosswalks, bike amenities)

What types of expenses are NOT covered by grant funds?

- Routine maintenance, *i.e.* mowing and snow removal.
- General maintenance of public infrastructure (sidewalks, streetlights, alleys, street trees)
- On-going operating expenses, *i.e.* administration costs, office supplies, website fees.
- Costs for food and beverages, games, prizes, giveaways, etc.
- Block Parties, social events, and programming.

Grant Application Scoring Criteria
