

**PETITION FOR STREET/ALLEY LIGHTING IMPROVEMENT**

Date Received by the Board of Works: \_\_\_\_\_

We, the undersigned property owners, do hereby petition the Board of Public Works of the City of Fort Wayne, Indiana, for the following neighborhood capital improvement(s): check appropriate item(s). *“By signing this petition, the signatory affirms that she/he is authorized to do so and thereby bind the owner(s) of the respective parcel to the effect of this petition”*

- \_\_\_\_ I At intersections or cul-de-sacs where suggested lighting minimums are not met, standard residential street lighting on 30’ embedded aluminum poles with LED Cobra Head fixtures on mast arms with underground wiring or on 16’ embedded posts with LED Town and Country fixtures and underground wiring. City will pay 100%.
- \_\_\_\_ II At intersections or cul-de-sacs where suggested lighting minimums are not met, additional standard residential street lighting on existing wooden utility poles with LED Cobra Head fixtures on mast arms and aerial wiring. City will pay 100%
- \_\_\_\_ III Additional standard residential street lighting on 30’ embedded aluminum poles with LED Cobra Head fixtures on mast arms and underground wiring or evenly spaced 16’ embedded posts with LED Town & Country fixtures and underground wiring. The City will pay 50% of the project costs and the owners of the real property affected by the project will pay 50%. Any additional cost incurred for lighting beyond the above suggested minimums as described above will be 100% the responsibility of affected property owners.
- \_\_\_\_ IV Additional alley lighting. Generally, 30-50 watt LED Cobra Head fixtures on mast arms attached to existing wood poles. The City will pay 100%
- \_\_\_\_ V At locations where existing lighting is in place and a request for LED fixture upgrades is requested, the City will pay 50% of the project costs and the owners of the real property affected by the project will pay 50%. Any additional cost incurred for lighting beyond the above suggested minimums will be 100% the responsibility of the affected property owners.
