GENERAL  
INFORMATION

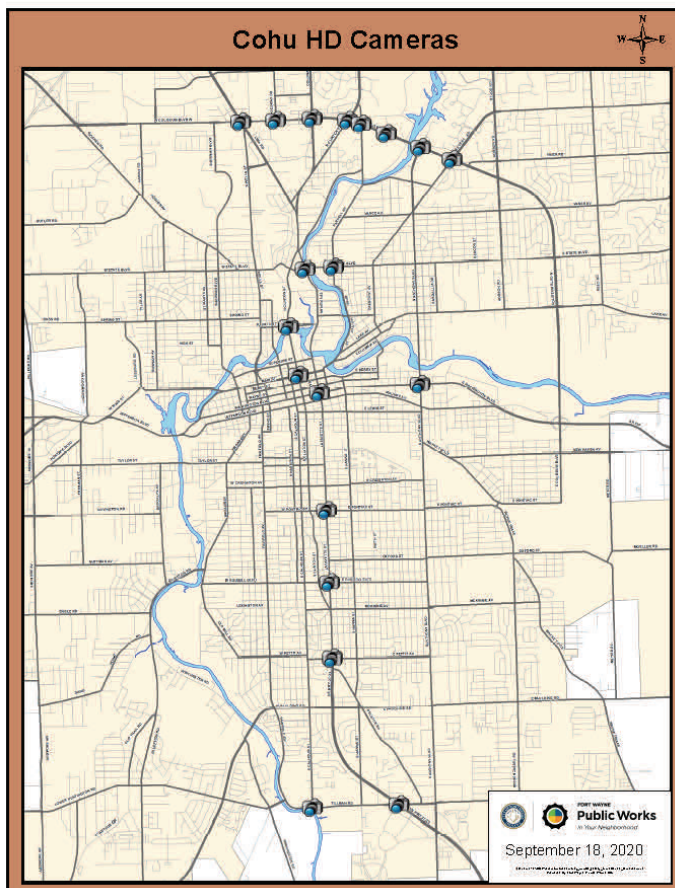

## TRAFFIC CAMERAS

The City of Fort Wayne has several traffic cameras located within the city limits. The cameras placed are not for enforcement, but for monitoring traffic conditions on city and state roads.

The cameras record data for up to 30 days before they are overwritten. Data from the cameras can be obtained with a FOIA request if available.

Public access to the cameras is not available due to limited bandwidth.

Locations of the cameras are as below.
