Crites and Briana Hope – American Structurepoint

Please find enclosed for your information the State Boulevard Mitigation Architectural Details Dispensation Plan for the State
Boulevard Reconstruction Project (Des. No. 0400587, DHPA No. 5903).

The purpose of this Dispensation Plan is to comply with the stipulations contained within the Memorandum of Agreement (MOA)
executed (dated December 15, 2014 and signed December 29, 2014) as part of the State Boulevard Reconstruction Project.
Under the MOA, The City of Fort Wayne shall "where feasible, salvage architectural details from homes demolished as a result
of the undertaking for use in other District residences." In accordance with the MOA, the City of Fort Wayne shall provide a copy
of the Dispensation Plan that will guide its salvage process to the Indiana State Historic Preservation Officer (SHPO) and
consulting parties. Fort Wayne shall follow the provisions of the finalized plan when implementing its salvage obligations under
the MOA.

Electronic copies of the Dispensation Plan, Architectural Detail Salvage Request Form, Hold Harmless Form, press release, and
catalog of property inventory are provided at: <http://www.cityoffortwayne.org/publicworks/west-state-blvd-realignment.html>.
Please contact me at (317) 547-5580 or by e-mail at lboits@structurepoint.com if there are any questions.
